# Nova Scotia Recreation Professionals in Health

## Mission

NSRPH advocates for the recognition of recreation and leisure as an important element in individual well-being and the development and maintenance of healthy life-styles.

The association supports its members by facilitating professional development and providing a network to enhance communication, exchange information and resources among and beyond our membership.

## Vision

To be leaders in providing and promoting excellence in recreation as a therapy and service through evidence based practice.

## Benefits of Membership

- Access to Standards of Practice, Code of Ethics, Recreation and Leisure Profiles, and Job Descriptions
- Learn about new employment opportunities and student placements
- Reduced fees and Continuing Education Units at Annual Conference
- Networking opportunities with other recreation professionals
- Eligible for nomination to Board and Regional positions
- Voting privileges at AGM
- Eligible to be nominated for the NSRPH Spirit, Leadership and Student awards
- Learn new trends in therapeutic recreation
- Receive quarterly NSRPH newsletters
- Attend Regional Meetings
- Opportunity for professional development
- Advocate and promote the strategic direction of the association
- Access to Professional Ethics Committee

## Values

- Respect for Human Dignity
- Honesty and Integrity
- Fairness and Equity
- Accountability
- Collaboration
- Excellence

*NSRPH recognizes February as  
Therapeutic Recreation Month*
